

## FC Booster Club Meeting – November 3, 2015

Introduction and Welcome to the Meeting

Minutes from October, 2015 approved.

**Treasurer's Report:** This was reviewed and will be posted on the website.

**Coaches Report:** All conference teams will be announced in a week or so. After school workouts will begin Monday, November 30. Kids in elective PE and not in a winter sport will come to one. If not, then two. School is very behind on the reimbursements. There is nothing we can do about this at this time.

Website will be updated. Camp information will start coming in after new year. The team GPA was 3.0 so that's really good. Uniforms options will be considered for next year. Funds will need to come from football, athletic department, and the booster club. Incoming seniors will help select the designs. Hope to have design before winter break and get ordered in early January so they are ready in time for next season. Seniors can purchase their jerseys for \$50.00 or both for \$100.00. Any funds made from this will go toward the purchase of new uniforms. They may look at replacing pants as well but that will be more expensive.

Coach will announce some "off season" captains. Then, after banquet, there will be a selection meeting comprised of booster club, captains, athletic department and Coach.
